

A photograph of a classroom activity. A female teacher with a ponytail is leaning over a table, smiling as she guides a young boy. The boy is looking intently at a model of a planet on a stick. Several other planet models are on the table, including a red one, a blue one, a yellow one, and a grey one with a ring. The background shows a bright window and an easel with a drawing.

A woman and a child are looking at a model of planets on sticks. The woman is on the right, looking down at the model. The child is on the left, looking at the model. The model consists of several spheres of different colors (blue, green, yellow, orange) on sticks, representing planets. The background is a bright, indoor setting.
